Dear Brian,

We are so grateful for the kindness and generosity of Concert Properties as the lead sponsor of our Summer Barbecue on Saturday, July 26, 2014 at Crab Park in Vancouver.

Over 3,600 meals were served to individuals and families thanks to your compassionate support and the caring, enthusiastic volunteer service of your awesome staff.

Summer can be a tough time for many who live in the Downtown Eastside of Vancouver and this barbecue is something many look forward to each year.

In addition to the meals provided, families brought their children to our kid's zone to enjoy face painting, games, crafts, a water park, cotton candy and the Noah's Ark bouncy castle. This year a motorized train was donated to give our guests a ride around the park and with the tunes played by our DJ it was a beautiful and festive day!

***What an incredible gift you have helped to give to this community struggling with poverty, homelessness and addiction.***

Through the loving concern shown people in need, we are also providing an opportunity for them to be introduced to the life-changing services of UGM. A transformed life often starts with a meal at UGM!

It is truly a joy & privilege to partner with you to provide hope and encouragement to our city's less fortunate. In the words of Helen Keller, "Alone, we can do so little. Together, we can do so much."

THANK YOU for your wonderful hearts of compassion!

With gratitude,
